## SME Business Club

Join us at the beautiful Chilworth Manor Hotel for networking, a two course supper and our guest speaker Kevin Briscoe from award winning PR experts Briscoe PR.

Creating a PR Campaign for your business doesn't have to cost the earth. There are some simple and inexpensive options that business owners and managers can implement to raise their profile with the people that really matter- their customers and potential customers.

Pick up some top tips for running your own campaign from the PR team who will show how some of their work has transformed the businesses they work with.

Suitable for all sizes of business.

## Have Your Cake and Eat It

Surrey Chambers of Commerce joins forces with Hampshire Chamber of Commerce to bring members together for some light afternoon networking, all over a spot of tea and cake!

It may be that you're looking to catch up with an existing supplier or perhaps you're searching for an opportunity to grow your network and expand your business into the neighbouring county - these are the sort of networking sessions where these partnerships blossom! The flexible format also combines both general networking and some facilitated networking, to ensure you make the most of the afternoon and have the chance to speak with as many businesses as possible.

## Showcase & Water Activities

**Let your adventure begin**

Ideally located on the stunning shores of Langstone Harbour, the Andrew Simpson Watersports Centre in Portsmouth has a very wide range of sailing, outdoor water sports and activities for all ages and abilities.

Founded in 2014, the Centre was set up to be a vessel to help achieve the Andrew Simpson Foundation's charitable objectives. They are passionate about encouraging young people into sailing and water sports and offer the best experience possible.

Join us for this showcase event, together with our friends and businesses from Chichester Chamber of Commerce and experience for yourself, kayaking, paddle boarding and an introduction to sailing, or if you don't want to get your feet wet, just sit back and enjoy the spectacular views over the harbour!

Networking light breakfast and presentation from the team on arrival, followed by a fun morning out on the water before returning for further networking and lunch.

## Danebury Winery

Originally an historic 19th Century racehorse training yard, often hosting King Edward VII and Lillie Langtry, this beautiful venue is situated near Stockbridge. The site covers over seven acres and planted its first vine in 1988.

Danebury has chosen to focus on limited production and exceptional quality, achieved through assiduous management right from pruning of the vines to storage of the end product: a truly exceptional choice of white wine. Usually not open to the public, we are very privileged to be given this is a unique opportunity to organise an event at this interesting and stunning location for our members.

There will be a hosted talk and walk around the vineyard, a tasting of one still wine in its traditional tasting room followed by a visit to the cellar and networking.

## Croquet, Cars & Celebrations

Join us for a fun summer activity day and BBQ in the 32 acres of landscaped gardens of the stunning Grade1-listed Manor House that is the New Place Hotel.

Enjoy some quintessentially English corporate croquet with a difference, no physical prowess or experience needed, so you can chat and play!

'Ride along' drives around the grounds and tasters from Tesla who will have 2 of their top of the range electric cars, the model 6 and model X on display. Discover how Tesla is accelerating the world's transition to sustainable energy with their electric car range.

Some great informal networking and team building.

## Winchester Breakfast Briefing

### Build your reputation through purpose

Part of our series of breakfast events held in Hampshire with guest speakers that will address a topical business issue, this is being held at The Little Kitchen Company Winchester situated next to Winchester Golf Academy.

We will be hearing from Philip Tutt, partner at ethical communications specialist, 360 integrated PR. Philip will illustrate how Hampshire businesses can harness the power of purpose beyond profit to enhance their reputation, improve customer loyalty and build the foundations for sustainable success.

## Breakfast Briefing

### Cyber Security... you are never too small

Cyber attacks for fraud or business disruption are increasing exponentially and are extremely costly. Experiences indicate that many organisations believe they are too small to be attractive enough for such attack. However, no matter what size they are, what activities they carry out, or how low profile they are, all organisations are equally vulnerable.

TIAA has been providing specialist assurance advice and support across the UK for over 25 years and their cyber assurance and digital forensic teams work with organisations throughout the UK in building in defences against such attacks.

During this discussion they will take you through examples of cyber attacks and provide practical and pragmatic advice on what steps you can take to reduce your business exposure to this dangerous and present risk. The aim for this session is to raise awareness and prevent cyber attacks to ensure the reputation and profitability of our local Hampshire business remains intact.

Share your concerns and experiences, pick up valuable information and network over a light breakfast.
