Stakeholder Bulletin

Welcome

This is the latest edition of the Department for Exiting the European Union's Stakeholder Bulletin.

Further to the bulletin issued earlier today, the Secretary of State for Exiting the EU, the Chancellor of the Exchequer, and the Business Secretary have written an open letter to business on the implementation period.

You can find a copy of the letter [here](#).

The implementation period will give people and businesses in the UK and across the EU the time they need to prepare for the future partnership.
