

## e-learning

# Level 2 Health and Safety

This course is an e-learning course that is ideal for those learners taking a level 2 health and safety qualification. The unique e-learning Management System gives the ability to monitor, manage and record training activity. Successful delegates will achieve a Level 2 Award in Health and Safety.

### What does it cover?

The nine easy-to-manage training modules included in this course cover the key syllabus of Level 2 Health and Safety qualifications. These modules include:

- Accidents including, slips, trips & falls
- Legal responsibilities
- Risk assessment
- Workplace health, safety & welfare
- Work equipment
- Fire
- First aid
- Manual handling
- Hazardous substances (COSHH)

### What will learners achieve?

Those taking this e-learning course will engage in approximately six guided learning hours of training. Their knowledge will also be tested by 45 multiple-choice questions, spread across the nine modules. In addition to this, learners will also receive a health and safety encyclopaedia, help pages, and a comprehensive health and safety glossary. On completion of the course, the system produces a personalised HABC-commended certificate.

### What next?

If you'd like to provide your learners with this e-learning package, simply contact us directly on 01329 242427/6 or email us at [train@hampshirechamber.co.uk](mailto:train@hampshirechamber.co.uk)

Courses are delivered in association with Highfield eLearning. The course has been endorsed by Highfield Awarding Body of Compliance, the UK and Middle East's leading awarding organisation for compliance qualifications.
