Hampshire Chamber of Commerce support

RE: The Parish of Sherfield Park registration 1-3927814515

Hampshire Chamber of Commerce has been informed of the proposal to Royal Mail for an address change so that all the addresses of the new Parish of Sherfield Park will have Sherfield Park as their address with the correct postcodes which will not change.

As the local Chamber of Commerce with an office in Basingstoke, Hampshire Chamber would like to give its support to this proposed change of address.

Now that the new development of Sherfield Park has been completed, enabling the address change will provide clarity between the two neighbouring communities of Sherfield Park and Sherfield on Loddon for tradesmen and others visiting the area, as well as for those living there.
