#### CPD/CHINA-TAIWAN CARNET

Agreement has been reached between the EC, Taiwan and the International Chamber of Commerce to establish a system of Carnets similar to that for ATA Carnets. The Carnet covers goods temporarily imported/exported between the UK and Taiwan and is called an CPD/China-Taiwan Carnet. (CPD = Carnet de Passage). Other than a different colour code and A4 format to distinguish it from the ATA Carnet, the conditions of its use, the goods for which it can be used and UK Customs procedures are identical to those for the ATA Carnet.
