

## PEER IN ACTION

**PEER** is our way of leading the enterprise conversation, placing how we will help your business to achieve at the core of our strategy. Shaped by member feedback, PEER allows us to show the many facets of our benefits and clearly demonstrate to you their deeper value. Aligned to our mission, it will enable us to challenge new activity ensuring it is the strongest addition to our programme and your package. For example, our **Business Voice Magazine**

**Participation** - Business Voice is where we gather the good news stories, practical advice, and real-world business solutions, brought to life by members, that will help you take the opportunities to thrive.

**Engagement** - Shared with all members and our wider network, a community of more than 6000, Business Voice offers an effective and varied window into the active and creative Chamber we seek to be, reflective of our members.

**Expertise** - As a member, draw insight from this prestigious quarterly business communication that showcases the award winning, innovative, and sector leading best practices of our network.

**Reputation** - Being showcased in our magazine is an endorsement of your place as a leading member in our enterprise community, showing that you are a business that can create positive change and is ready to collaborate with others.

*Want to be a part of our PEER network?*

*Why not follow us on LinkedIn and be among the first to learn about our latest events, opportunities to get involved, and hear about the successes of our members.*

# PEER

**P**articipation - **E**ngagement  
**E**xpertise - **R**eputation

To be an effective PEER network is our promise to our members. It is how we realise the commitment we make to provide a network for all, think strategically, supporting businesses to thrive sustainably, invest confidently, and help any employer to grow whatever stage of their enterprise journey they are at.

**Membership of Hampshire Chamber of Commerce is an endorsement of your commitment to good practice, and recognition that you are an active part of a well connected and engaged community that cares about current enterprise concerns but also the needs of the next generation.**

**PEER** is how, together, we unlock the expertise and insight of our network and embody what it means to be a leading Chamber of commerce, serving our place and our members by drawing on an enterprise community 170 years in the making.

*“HCofC meetings are great forums for collaboration in Hampshire where knowledge assets are both shared and acquired, while like-minded relationships are built to inspire collaboration.”*  
*Steve Hathaway and Carla Thompson-Khan, Flourish*

**PARTICIPATION - Good Practice Is At The Heart Of Good Business**

Actively sharing best practice is at the heart of a Chamber of Commerce. By offering solutions to the real-world challenges faced by employers, through thematic and topical development programmes, led by accredited partners, and by creating an inclusive environment where members can interact, we will allow businesses to grow purposefully.

**ENGAGEMENT - A Peer Led Community Of More Than 1000 Members**

Through effective networking, by offering topical communications, and by establishing and facilitating mutually beneficial partnerships and spotlights, we will help those businesses in our PEER network make profitable connections and establish themselves in new markets.

**EXPERTISE - The Voice Of Hampshire’s Enterprise Community**

The Chamber offers an unrivalled ecosystem of support solutions and organisations, direct lines to decision makers at all levels of government, and with a track record of positive change we will ensure our members remain relevant, informed, and ready to grow.

**REPUTATION - Be Heard, Be Seen, And Be Recognised**

As an accredited member of the British Chambers of Commerce and the County’s largest employer representative body, we provide an unrivalled platform for businesses raise their profile, lead regionally, and develop their brand awareness both locally and nationally.
